Dear Bernard Bekink

RE: Confirmation of Additional Training – Road Accident Fund Mediations

This letter serves to confirm that Bernard Bekink has successfully completed the half-day Road Accident Fund (RAF) Mediation Module, an AFSA-accredited specialised training programme designed to complement, but not equate to, the 40-hour mediation training.

The module was designed to equip legal professionals with specialised knowledge and practical skills for mediating Road Accident Fund (RAF) disputes. The training covered the principles and procedures of RAF mediation, ethical obligations of mediators, the applicable legal framework, including the use of medico-legal evidence, the assessment of damages and compensation, as well as the drafting of effective settlement agreements and the management of complex disputes.

Through this programme, the participant has developed higher competency in applying mediation as effective, accessible, and efficient mechanism for resolving RAF-related matters.

Yours sincerely

Andile Nikani
